one2free Introduces First-Ever Prepaid BlackBerry Service in Hong Kong

Hong Kong, January 10, 2012 - one2free today announced the launch of the first-ever prepaid BlackBerry[®] service for customers in Hong Kong. Without the need for a contract or registration, customers can now enjoy BlackBerry service for as little as HK\$120 for seven days of prepaid BlackBerry service or HK\$460 for 30 days. To celebrate the launch, customers will be offered a 50% discount on first-time purchases of the new prepaid BlackBerry service.

“one2free is the first operator in Hong Kong to launch a prepaid BlackBerry service, which is great news for all inbound travellers, small businesses and SOHOs as well as individual consumers, providing an affordable solution that will enhance their day-to-day productivity and communications with the aid of the one2free network and BlackBerry service,” said Mark Liversidge, Chief Marketing Officer of one2free’s parent company, CSL Limited. “Having the ability to securely access email on the go, as well as access to services such as BBM [BlackBerry[®] Messenger], will give business users and consumers the benefits of staying connected and being more responsive wherever they are. one2free always strives to offer the most flexible options with its volume-based service plans and allow customers to get the most out of our powerful mobile technologies in the way that’s best for them.”

The prepaid BlackBerry service from one2free allows customers easy access to true push-based email and messaging as well as social networking, phone, organizer, web, multimedia and other mobile and lifestyle applications.
